AUR 2018

Support the APDR Diversity Task Force's
[#ilooklikearadiologist](#) Social Media Campaign at AUR 2018

In an effort to support diversity and inclusion in radiology, the **APDR Diversity Task Force** is launching the [#ilooklikearadiologist](#) social media campaign at the 2018 AUR Annual Meeting. We encourage you to take a selfie at the selfie station located in the conference area and then post it to social media (facebook, instagram, twitter, etc) with the hashtag [#ilooklikearadiologist](#). This will help demonstrate the true diversity of our specialty and allow students interested in radiology to see what kind of role models they might identify with.
